

## About MWEA

Established in 1925, the **Michigan Water Environment Association** (MWEA) is one of Michigan's oldest organizations. MWEA is made up of more than 2,000 water quality professionals and practitioners statewide who work with Michigan's water environment. Our mission is to provide bold leadership, champion innovation, connect water professionals, and leverage knowledge to support clean and safe water.

MWEA is a member association of the **Water Environment Federation**.

## About WEF

**Water Environment Federation** – Founded in 1928, WEF is a not-for-profit technical and educational organization of 36,000 individual members and 75 affiliated Member Associations representing water quality professionals around the world. WEF members, Member Associations, and staff proudly work to achieve our mission to provide bold leadership, champion innovation, connect water professionals, and leverage knowledge to support clean and safe water worldwide.

## Membership Application

*Come Join Us!*

There is someone in MWEA that does what you do, and knows what you want to know. MWEA membership provides the forum to meet and exchange views with other knowledgeable people.

- **We** are the operators of the wastewater and storm water management systems that protect Michigan's water resources.
- **We** are the managers who prepare budgets and implement regulations, while reporting to our council, board and citizens.
- **We** are the engineers and scientists who strive to meet evermore stringent regulations through our innovative design approach.
- **We** are the vendors who produce and deliver the products that make the designs work.
- **We** are the educators, affiliates, and others who assist in the delivery of these essential services.
- **We** are the local regulators that ensure that the provisions of the Clean Water Act are met.
